Analysis by the Legislative Reference Bureau

Under current law, a not-for-profit, religious, charitable, service, fraternal, or veterans organization that serves a geographic area that is limited to Wisconsin and that has existed for at least one year or is chartered by a state or national organization that has existed for at least three years may obtain a license to conduct

raffles. Also under current law, an organization with a Class A raffle license may sell raffle tickets up to 270 days before the day of a raffle drawing, may sell equal shares of a single ticket to one or more purchasers, and may conduct either single-event raffles or calendar raffles. A calendar raffle is one for which a drawing is held and a prize awarded on each date specified in a calendar. An organization with a Class A raffle license may charge up to \$100 for a single-event baffle ticket and up to \$10 for each month covered by a calendar raffle. Under a Class B raffle, tickets may be sold only on the day of the drawing and may cost no more than \$10 each. An organization with a raffle license may conduct no more than 200 single-event raffles and no more than one calendar raffle in a 12-month period. Current law requires the Department of Administration (DOA) to promulgate rules relating to the conduct of raffles.

This bill makes various changes to current law relating to the conduct of raffles, including the following: 1) removes limits on the prices of raffle tickets and calendars; 2) removes DOA's authority to promulgate rules relating to raffles; 3) prohibits the sale of equal shares of a single Class A raffle ticket; 4) increases to one year the time before a Class A raffle drawing during which tickets may be sold; 5) increases the number of single—event raffles an organization may conduct in one year to 365; and 6) allows Class B raffle tickets to be sold before the day of a drawing if the tickets are not delivered to purchasers until the day of the drawing.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

****Note: "Drawing" is stricken because an organization can only cancel a calendar raffle drawing by canceling the entire calendar raffle (because a drawing date cannot be changed under the new s. 563.93 (3m) (b)), and a single-event raffle, by definition, has only one drawing, so canceling the drawing effectively cancels the raffle.

****Note: I assumed that a calendar raffle can be canceled after one or more drawings have been held as long as the purchasers are fully refunded. Because a calendar raffle might be canceled after prizes have been awarded, I also added that any prize already awarded in a drawing prior to the cancellation may not be reclaimed. Let me know if this is not consistent with your intent.

DRAFTER'S NOTE FROM THE LEGISLATIVE REFERENCE BUREAU

LRB-3259/P2dn EHS&MOG:kjf:#s

Matt:

in the ability to sell This draft adds back in the ability to sell shares of raffle tickets under a Class A license, and incorporates the Administrative Code provisions related to ticket shares into proposed s. 563.93 (2n). Game s. 44.03 (h), Wis. Admin. Code, prohibits DOA liability in any dispute over ownership or sale of raffle ticket shares. In the draft this is combined with a similar prohibition on liability in ticket ownership disputes in a Class B raffle (currently s. 563.935 (6) (a)). These are combined and moved to a new section, proposed s. 563.925.

This draft also clarifies what a single-event raffle is, and reorganizes parts of subch. VIII of ch. 563 to clarify the differences between a Class A and a Class B raffle.

Analysis by the Legislative Reference Bureau

Under current law, a not-for-profit, religious, charitable, service, fraternal, or veterans organization that serves a geographic area that is limited to Wisconsin and

that has existed for at least one year or is chartered by a state or national organization that has existed for at least three years may obtain a license to conduct raffles. Also under current law, an organization with a Class A raffle license may sell raffle tickets up to 270 days before the day of a raffle drawing and may conduct either raffles or calendar raffles. A calendar raffle is one for which a drawing is held and a prize awarded on each date specified in a calendar. An organization with a Class A raffle license may charge up to \$100 for a raffle ticket and up to \$10 for each month covered by a calendar raffle. Under a Class B raffle, tickets may be sold only on the day of the drawing and may cost no more than \$10 each. An organization with a raffle license may conduct no more than 200 single—event raffles and no more than one calendar raffle in a 12—month period. Current law requires the Department of Administration (DOA) to promulgate rules relating to the conduct of raffles.

This bill clarifies that an organization with a Class A raffle license may conduct either single-event raffles or calendar raffles. Single-event raffles are defined as raffles for which one or more drawings from a single container are held and one or more prizes are awarded on one date at one location. The bill also prohibits an organization conducting a Class A raffle from selling shares of a single ticket unless certain requirements are met, including that not more than four shares of a single ticket be sold and that no discount be offered to the purchaser of more than one share of a raffle ticket.

This bill also makes various other changes to current law relating to the conduct of raffles, including the following: 1) removes limits on the prices of raffle tickets and calendars; 2) removes DOA's authority to promulgate rules relating to raffles; 3) increases to one year the time before a Class A raffle drawing during which tickets may be sold; 4) increases the number of raffles an organization may conduct in one year to 365; and 5) allows Class B raffle tickets to be sold before the day of a drawing if the tickets are not delivered to purchasers until the day of the drawing.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2013–2014 DRAFTING INSERT FROM THE LEGISLATIVE REFERENCE BUREAU

1 INSERT A

defines

Under current law and rules promulgated by the Department of Administration (DOA), an organization with a Class A raffle license may conduct single-event raffles or a calendar raffle. Under current law, a calendar raffle is a raffle for which a drawing is held and a prize awarded on each date specified in a calendar. This bill defines a single-event raffle to be raffle for which one or more drawings from a single container are held and one or more prizes are awarded on one date and at one location. Under current law, an organization with a Class B raffle license may conduct raffles in which more than one drawing may be made from more than one container, each container is specific to a prize or group of prizes, and ticket purchasers place their tickets in the containers of their choice.

Under current law, a Class A licensee may charge up to \$100 for a raffle ticket and up to \$10 for each month covered by a calendar raffle. Under a Class B raffle, current law allows tickets to be sold for no more than \$10 each. This bill removes all

limits on the prices of raffle tickets and calendars.

Under current law, an organization with a raffle license may conduct no more than 200 raffles in a 12-month period. This bill increases this maximum to 365 raffles.

Under current law, an organization with a Class B raffle license may sell tickets for a raffle drawing only on the day of the drawing. Under this bill, a Class B licensee may sell tickets before the day of a drawing if the tickets are not delivered to purchasers until the day of the drawing.

Under current law, a Class A licensee may sell raffle tickets up to 270 days

before the day of a raffle drawing. This bill extends this period to one year.

Current law allows a Class A licensee to sell equal shares of a single ticket to one or more purchasers. This bill allows this only if certain requirements are met, including that not more than four shares of a single ticket be sold and that no discount be offered to the purchaser of more than one share of a ticket.

Current law requires DOA to promulgate rules relating to the conduct of raffles.

This bill removes that authority.

DRAFTER'S NOTE FROM THE LEGISLATIVE REFERENCE BUREAU

LRB-3259/P2(n / 3 EHS:kjf:jm

February 10, 2014

Due to substantial redrafting, we produced an instrunal ordraft. This results in this version being a 193 constraid of a 192.

Matt:

This draft adds back in the ability to sell shares of raffle tickets under a Class A license, and incorporates the Administrative Code provisions related to ticket shares into proposed s. 563.93 (3i). Section Game 44.03 (4) (h), Wis. Adm. Code, prohibits DOA liability in any dispute over ownership or sale of raffle ticket shares. In the draft this is combined with a similar prohibition on liability in ticket ownership disputes in a Class B raffle (currently s. 563.935 (6) (a)). These are combined and moved to a new section, proposed s. 563.925.

This draft also clarifies what a single-event raffle is, and reorganizes parts of subch. VIII of ch. 563 to clarify the differences between a Class A and a Class B raffle.

Let me know if you have any questions or if you would like additional changes.

Matt,

Just to clarify item 2 below, your original request was to entirely remove any dollar limit on the price of raffle tickets, i.e. repeal ss. 563.93 (2) and 563.935 (3), which is what the draft does now. Do you want to raise the price limit instead?

Hi Matt,

Items 2 and 3 were taken care of in the bill but inadvertently left in the document I created that incorporated all of the changes. Sorry for the confusion.

I'll make the change in item 1.
